February 7, 14, 21, 28 and March 7:

"Monday through Friday Faith"

Resource Person: YOU

Every one of us wrestles with how to take the things we experience on Sunday and live them out M-F: Can I talk about Jesus at work? What do I do when my employer asks me to fudge the books, sell someone something they don't really need, or look the other way? How do my farming or business practices impact the environment, my customers, and my employees? How can I care for my neighbors in the retirement community, be actively involved in church, and volunteer at my favorite non-profit while also maintaining my own physical and emotional health? **What does "M-F Faith" look like in my context?**

Each week we will have two - three volunteers share about how you live out your faith during an average day of an average week (at your job, in your business, with your children, or in your daily retirement routine):

- Tell a story or two about a time when your faith impacted your daily routine;
- Share a scripture verse or story that guides you in your work;
- Share about a moral or ethical dilemma you faced, and invite input on possible responses; and/or
- Ask a question you'd like to hear responses to related to your M-F world.

If you would be willing to take a turn sharing about your "M-F Faith," please talk to Alan Shenk or Pastor Kevin.
